

MEMORANDUM OF UNDERSTANDING

For Establishing an Alliance between AMDA International And Taiwan Root Medical Peace Corps

Purpose of Alliance:

To establish a partnership between AMDA (Association of Medical Doctors of Asia), having its headquarters at 3-31-1 Ifukuchou Kitaku, Okayama City, Okayama Japan 700-0013, hereafter referred to as "AMDA" and Taiwan Root Medical Peace Corps, having its permanent address at 5F, No. 1, Alley 8, Shiwei Lane, Zhongzheng Rd., Xindian District, New Taipei City, Taiwan, hereafter referred to as "TRMPC".

Scope:

AMDA and TRMPC have agreed to take the following steps to solidify the Alliance:

1. Each organization will assign key official persons to coordinate interaction between AMDA and TRMPC.
2. AMDA and TRMPC will promote cooperation for organizational interaction with institutions in the area of international affairs.
3. AMDA and TRMPC will facilitate staff exchanges at all organizational levels through field visits, training seminars, internships, conferences, and consultations.

AMDA and TRMPC further agree to undertake the following in the conducting our work:

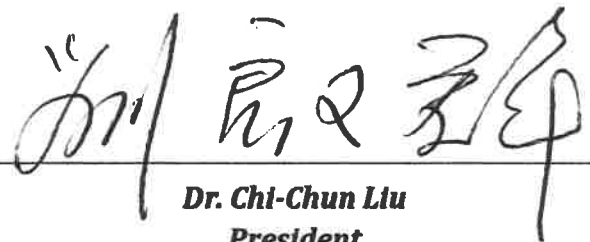

- Pursue a professional approach to the mission by complying with international humanitarian norms and chapters.
- Undertake the possibilities of joint strategies responses to disaster.
- Engage in joint educational programs, advocacy where appropriate cc.

Finalization of Agreement:

This Memorandum of Understanding will become effective on the date this Memorandum is signed by the duly authorized executive officers of the representative parties.
