AMDA, Japan, donates medicines

YANGON, 24 Aug— The AMDA, a social organization from Japan, donated medicines to Health Department of Meiktila Township, Mandalay Division, at Ministry of Health on Pyidaungsu Yeiktha Street here this morning.

The donation ceremony was attended by Minister for Health Maj-Gen Ket Sein, Deputy Minister Prof Dr Kyaw Myint, directors-general of departments under the ministry, Japanese Ambassa-dor to Myanmar Mr Shigeru Tsumori and officials of AMDA. First, the ambassador gave an account of health cooperation programmes between Myanmar and Japan. Then, representative of AMDA Mr Tetsuya Kobayashi explained the purpose of donation.

Later, Mr Tetsuya Kobayashi donated medicines worth K 9.2 million to the minister who presented a certificate of honour to the donor.—*MNA*
